Hi Jonathan – below you will find the link to the conference. You will need to register online; however, since you are a presenter you will not have to pay a registration fee. Also I strongly encourage to make your hotel reservation...it can always be cancelled. As I mentioned in my email to you yesterday, I need to submit a description of your session to the conference organizer for the brochure...the deadline is this Friday....but I think I can stretch it out a few more days. Let me know if you have any questions. Thanks! Toni

Re: 2018 National Tribal Forum on Air Quality (May 14-17, 2018), Carlton, Minnesota

Hi Jonathan,

I'm on the planning committee for the Ambient Air Policy Sessions/Tracks for the upcoming NTF conference. Laura McKelvey shared with me that you have agreed to present on Enforcement Credentials during the Ambient Air Policy Breakout Session "EPA and CAA Resources/Tools" on May 17ththank you for doing this!

Deliberative Process / Ex. 5

I've attached the conference announcement and working agenda for your information; however, there are a few things that I wanted to bring to your attention.

- 1) **Conference Registration:** For conference information, registration, hotel, transportation, etc., go to www.nau.edu/ntfaq Since you are a Presenter, the \$75 registration fee is waived. You will also need to submit a brief overview of your topic as shown below:

- **Presentations and Session Proposals:** You will need to submit a brief
Topics should be related to air quality, climate change, indoor environments, and incorporate information relevant to tribal audiences.
[Click HERE](#) to submit the Presentation/Session request form.

2) **Eco-Café Interactive Exhibit & Poster Session (Wednesday, May 16th)**

You may want to participate in the Eco-Café to highlight EJ Screen or other information. If so, you will need to sign up online. The Eco-Café is being held from 10:00 am – 12:30 pm (a working lunch is provided).

- *"The Eco-Café is a unique session held during the NTF when conference attendees circulate to a variety of tables or exhibits where they are able to ask questions and interact one-on-one with others. It is an opportunity to present details of a special project, conduct outreach on a topic, or highlight resources and services available. **The Eco-Café is always THE favorite session of the Forum, and is made even better by your participation!***
[Click HERE](#) for more information or to sign up for the Eco-Café."

3) **Hotel Registration:** I recommend making your reservations as earlier as possible as the room block fills fairly quickly.

- **For individuals paying own way:** a group block reservation has been made at the Black [Bear Casino Resort](#), located at 1785 Highway 210, Carlton, Minnesota. **The group's lodging rate is \$68.00/night, and is available until April 29, 2018,** or until group block has filled. Due to limited availability, it is strongly recommended that you make hotel reservations as early as possible.

Reserve your room: Contact the Hotel Reservation line at **1-888-771-0777** and request booking under the "National Tribal Forum on Air Quality" group block. A credit card will be required at time of booking to secure the room reservation.

[Click HERE](#) to see other lodging options in the vicinity.

As we get a little closer to the conference (sometime late March/early April, I will set up a conference call between the presenters and planning committee to answer any questions and to make sure everyone is on the same page.

Feel free to call me if you have any questions and thank you again for your participation!
